

Martin Jurkovic
Business Development & Information Systems Analyst
BC Patient Safety & Learning System (BC PSLs)

Email: Martin.Jurkovic@phsa.ca

Blog: www.bcpsls.ca

Office: 604-877-6428

Martin joined BC PSLs in 2011 as Application Support & Test Analyst, and was appointed Business Development & Information Systems Analyst in August 2015. He provides technical support and quality assurance testing, manages the CO Help Desk and provides technical support and guidance to BC PSLs Coordinators across the province. He is the main point of contact for DATIX to ensure technical issues are identified, reported and resolved in a timely manner, facilitating system upgrades, patches and hotfixes for stakeholders across the province.

Martin earned a Bachelor's degree in Computer Science from the University of Northern British Columbia. Before joining the Central Office team, he worked as a technical consultant at Ruskin Solutions to provide IT and networking support to a variety of clients.
